

2020 BYOD Program

Get ready for the new school year with the right technology device from The School Locker. Shop online through a personalised school website.

- ✓ Receive special education pricing.
- ✓ Select from school approved devices.
- ✓ Delivery to your home or business.
- ✓ Options for accidental damage and theft protection.
- ✓ Options for Cyber-safety protection with Family Zone.

How to order your BYOD device

1. Visit the school locker website to login, or create a new account.
2. Generate your student advantage number to access special student pricing.
3. Use the *Shop by School* menu to navigate to your School's BYOD range
4. Select your device and build your own BYOD solution with accessories.
5. Add to cart and Check out.

Service and support

For assistance with your technology device we are here to help. You can contact the manufacturer directly, email service@theschoollocker.com.au, or visit your nearest **The School Locker store**.

Terms and conditions apply. Product prices listed are inc GST and correct on 1 September 2018. Prices are subject to change without notice. Check portal for current pricing. Additional freight charges may apply. This offer may end without notice. E&OE
