

Gift Pledge Form

Taking our Junior School community to new heights!

You can be part of this exciting project and help to give our Junior School community a building that is truly fit for purpose. Current and future generations will benefit from spaces designed to inspire and enhance learning and teaching.

All gifts over \$1,000 will be recognised within the building. Your family or business name will be part of a lasting legacy to the generous spirit within our community.

You can choose to spread your gift as an annual pledge* over a two to five year period.

All gifts are fully tax deductible and you will be issued with a receipt for tax purposes.

While the building will be ready by 2024, your pledge gift will ensure that the College can move forward with confidence while continuing to invest in other development projects across the school.

*If your situation changes and you are unable to honour your pledge at any time, please let us know.

Naming Rights Opportunities

Please contact our Director of Marketing and Advancement, Cathy Stewart to discuss Naming Rights opportunities for one of the specialist spaces.
