

2024 COLLEGE BUS ROUTES

Bus Travel in 2024 Expression of Interest

We know for many parents being able to use the school charter bus service to get their children to and from school is important. As we plan for 2024 we are calling for Expressions of Interest from parents for the route applicable to their child. Please note that your response is only an expression of interest used to determine transport requirements in 2024.

Prior to submitting this form, the college asks that families living within walking or riding distance of the College do encourage their child to walk or ride. The College has many students living at a distance who rely heavily on the College bus services to attend.

Where possible, walking or riding to school has significant health benefits and assists in providing seats for the students living at a distance away from the College. Where possible, Senior School students who can drive to and from school are also encouraged to do so. This will also relieve pressure on the College bus services.

Route and Timetable Changes

At this point the existing routes will remain unchanged heading into 2024, however the college reserves the right to make route and timetable changes subject to demand and school operational requirements. Of course, any changes to the college bus services will be notified to parents well in advance of implementation. The current college bus routes are available for viewing at willungacharter.com.au/school/woodcroft-college/.

Code of Conduct

Students travelling on all Woodcroft College bus services are expected to behave appropriately while travelling on the service provided. The safety of all passengers is paramount and this 'Code of Conduct' outlines the behavioural expectations of all travelling passengers. It is deemed that parents and students accept the code of conduct if they utilise the college bus service. The Code of Conduct - Woodcroft College Bus Services is available on our website at: woodcroft.sa.edu.au/enrolment/school-services/#bus-service.

Information about bus passes and costs is available from Main Administration. We ask that parents complete the attached form and return it to the Main Administration by Friday 1 December 2023.
