

YEAR 11 MATHEMATICS AND SCIENCE TEXT BOOK RESOURCES

Mathematics

All Year 11 Mathematics students will be supplied with digital texts as they provide greater interaction, depth and breadth of content than the physical textbooks. They have the added bonus of students not needing to carry bulky textbooks and with the College purchasing bulk subscriptions, they are less expensive than the physical textbook.

The cost of the digital text book is \$30.00 per year, per subject:

- Essential Numeracy \$30.00
- General Mathematics \$30.00
- Mathematical Methods \$30.00
- Specialist Mathematics \$30.00

Each student will receive access to their digital text by the second week of Term 1, 2024 with the cost of these resources added to your Term 1 fees.

Science: Psychology

Year 11 Psychology students will be supplied with a digital textbook for 2024. The cost of this will be \$27.50 per student. Each student will receive access to their digital text early in Term 1, 2024 with the cost of this resource to be added to your school fees.
