

YEAR 12 MATHEMATICS TEXT BOOK AND REVISION GUIDE RESOURCES

You will notice the current booklist does not include physical textbooks for Year 12 Mathematics.

All Year 12 Mathematics students will be supplied with digital text books and revision guides as they provide greater interaction, depth and breadth of content than the physical books. They have the added bonus of students not needing to carry bulky books and with the College purchasing bulk subscriptions, they are less expensive than the physical book.

The cost of the digital text book and revision guide is \$58.00 per year, per subject:

- Essential Mathematics \$58.00
- General Mathematics \$58.00
- Mathematical Methods \$58.00
- Specialist Mathematics \$58.00

Each student will receive access to their digital texts during Term 1, 2024, with the cost of these resources added to your Term 1 fees.
