

YEAR 8 STATIONERY PROVIDED FOR 2024

Below is a list of items supplied to your child for Year 7. Your child's books may be covered with decorative paper/contact or be left plain (as shown in example). Students will receive their stationery on their first day of school in 2024 and any extra stationery in their first lessons for that subject.

Stationery Items

Please ensure that each stationery item is *clearly labelled*.

It is an expectation that students have a pencil case containing the basic requirements. This includes pens, ruler, pencils (lead HB and coloured), set of highlighters, sharpener, scissors and glue stick.
