

MUSIC SCHOLARSHIP INFORMATION AND CRITERIA

Year 7 2025

Open to two current or new students entering Year 7 in 2025.

The music scholarships are aimed at committed students, who are proficient at playing a musical instrument, including voice. The recipients will have the opportunity to complete their secondary education at Woodcroft College for a remission on their school fees, for the duration of their secondary schooling.

The awarding of the scholarship is conditional upon the student studying Music, receiving private tuition at the College, and being part of the Concert Band from Year 7 to Year 12.

Student written applications should be addressed to the Director of Music and include the following:

- School background.
- Musical education to date (involvement and level of proficiency).
- Current commitment to school music and/or private tuition (performances and rehearsals).
- Intended commitment to the music program at Woodcroft College.
- Musical aspirations/hopes for the future.
- Two minute audition video to demonstrate a proficiency at playing a musical instrument (including voice).

Applicants may be required for an interview, or perform a second audition with the Director of Music and members of the music teaching staff. Students may require a second audition. Scholarships will be awarded on the recommendation of the Director of Music.

If the selected applicant is currently at another school and has not registered or accepted a place at Woodcroft College for Year 7 2025, a Registration of Interest must be submitted. Please contact our Enrolments Manager, Tracy Bonser at enrolments@woodcroft.sa.edu.au or call 8381 0491 for more information. The selected applicant will also be required to meet with the Principal for an interview as a standard part of the College enrolment process. Parents will be asked to complete an online Enrolment Information form before the interview.

The scholarships will provide for the remission of 25 percent of the annual student charges for each year of the student's secondary schooling at Woodcroft College.

Please note that International Students cannot apply for scholarships.
