

COLLEGE SUPPLIED RESOURCES FOR YEAR 7 TO YEAR 9

This document provides information on the 2026 resources for students in Year 7 to Year 9.

As all students in Year 7 to Year 9 have devices, electronic resources provide greater interaction, depth and breadth of content than the physical textbooks. Students will not have to carry bulky textbooks and costs to parents will be reduced as the College can purchase bulk subscriptions.

There is no booklist for Year 7 to Year 9. The College will provide required stationery at no additional cost, but students will need to bring their own well-stocked pencil case and ruler.

Each student will receive access to relevant resources during their first week of Term 1, 2026 with the yearly cost of these resources added to your Term 1 fees.
