

YEAR 11 MATHEMATICS TEXT BOOK RESOURCES

You will notice the current booklist does not include physical textbooks for Year 11 Mathematics.

All Year 11 Mathematics students will be supplied with digital texts as they provide greater interaction, depth and breadth of content than the physical textbooks. They have the added bonus of students not needing to carry bulky textbooks and with the College purchasing bulk subscriptions, they are less expensive than the physical textbook.

The cost of the digital text book is \$32.00 per year, per subject:

- Essential Numeracy \$32.00
- General Mathematics \$32.00
- Mathematical Methods \$32.00
- Specialist Mathematics \$32.00

Each student will receive access to their digital text by the second week of Term 1, 2026 with the cost of these resources added to your Term 1 fees.
